\*All fees are in CDN funds and subject to provincial sales tax. Hourly fees are \$300/hour. New clients incur \$50 OnBoarding fee. Retainers are taken for all estimates of \$500 and above. EFILE of tax returns only after account is settled. Pricing in effect January 1, 2023.

\*\* Basic returns are of the complexity typically associated with a simple taxpayer and no more than 5 tax slips or 5 transactions and 5 donations slips. A return including complex tax forms, or transactions is not a basic tax return. For example, returns that include T2091, T2209, T777, T1032, T2203, T1170, report transactions involving hedging, swaps, cryptocurrency, or other financial instruments, returns including a significant number of tax slips or capital gains/losses (more than 5 tax slips or transactions), rental properties, small business, sole proprietor or self-employed returns or returns reflecting information from more than 1 Canadian partnership (Form T5013s) are not considered basic returns. T1135 completed worksheets required. Hourly fees are applicable for bookkeeping services if taxpayer does not provide requested expense summary schedules and receipts are not organized.
